Dedication Given to Mr. O'Brien

The 1984 Panther is dedicated to Mr. Michael T. O'Brien, Portville's high school principal for the past five years. Prior to becoming principal, Mr. O'Brien was hired as a mathematics teacher in 1967. Since that time, he has also coached football and wrestling, instructed tennis, and held the position of athletic director.

Mr. O'Brien obtained a Mechanical Engineering Degree from the U.S. Naval Academy at Annapolis, Maryland in 1965. He received his Bachelor of Science Degree in 1967 at Indiana University in Pennsylvania and in 1975 a degree in Administration from St. Bonaventure University.

Mr. O'Brien has three daughters, Kristine, Kelli, and Kara. His wife, Joan, is an elementary teacher at Portville.

The Senior Class thanks you, Mr. O'Brien, for your dedication to our school and community. We wish the best for your future!

Computers: A Thing of the Present

According to High School Principal, Mr. Michael O'Brien, "the goal of the computer program at Portville Central School is to teach computer literacy." There are two courses available to fulfill this goal — Computers I and Advanced Computers. Currently there are three computer teachers. Miss Vicki Greene, Mrs. Barbara Phillips, and Mrs. Frances Marsh.

Although Miss Greene and Mrs. Phillips have been on the Portville Faculty, this is their first year in teaching computers. Miss Greene teaches two classes and feels the programs give a good basis for computer learning.

Mrs. Marsh is new to the Portville staff. She is presently teaching one class at Portville and is on the faculty at Jamestown Community College. She has been involved with computers for ten years as a programmer and as an instructor. Mrs. Marsh feels that the computer courses are definitely adequate. The program will "increase every student's computer literacy," she says. Her goal is not only to teach students how to use a computer, but also to teach them the intricacies of the machine.

Students at Portville are taking advantages of their opportunities as evidenced by the fact that three years ago, 48 students were enrolled in computer class and today 210 are enrolled. Portville Central School is giving its students a good preparation for living in this computer age.

Renaissance Comes to

On October 8 and 9 the Portville community returned to the past for a little while. The Renaissance Fair, held at Portville School, was a way to make the art, music, drama, history, and daily lives of the Renaissance times real and important to people today.

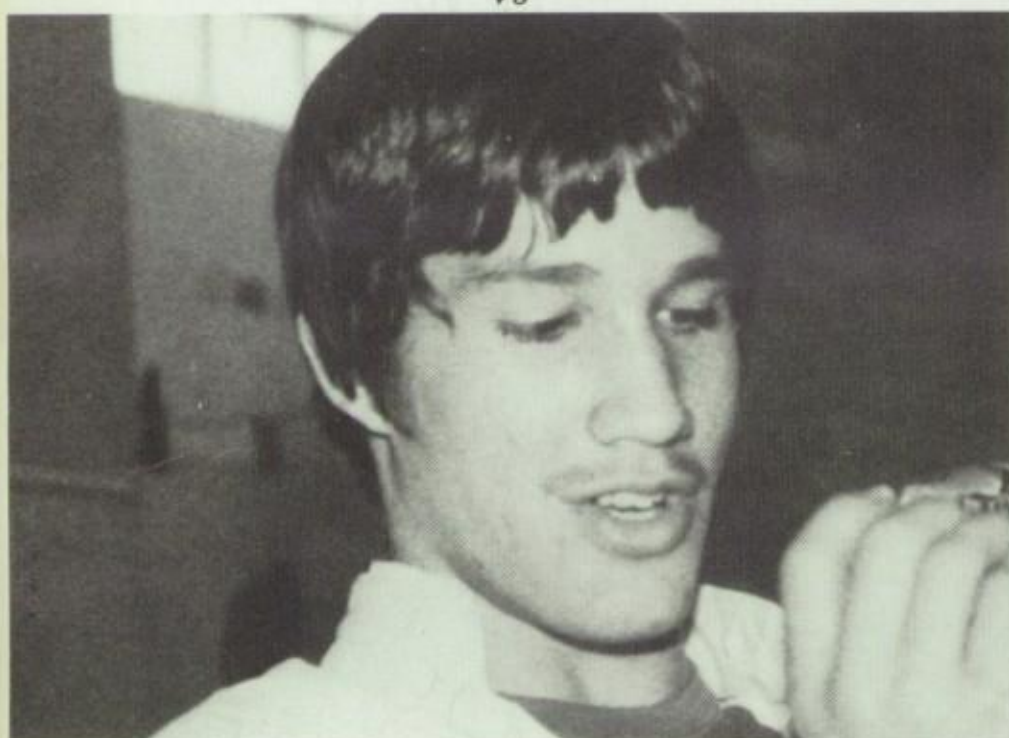

The royalty present at the fair included King Frank Aloï and Queen Mary Elizabeth Eaton. All fair-goers were encouraged to wear costumes of the times and prizes were awarded. The Society for Creative Anachronism of Buffalo reenacted an authentic medieval battle and demonstrated medieval dances. A live chess match was played by Albee and Michael White with students acting as the "chess pieces."

The climax of the fair was an original musical depicting the life and times of King Arthur and the Knights of the Round Table.

STUDENT COUNCIL AIMS FOR HIGH GOALS

The 1983-84 Student Council consisted of twenty-three members from grades 7-12. Within the past year, they have become involved with other student governments from surrounding areas to get schools to support one another. Goals of the council are emphasis on more school discipline and getting other organizations to get involved with school functions. The council serves as a form of government linked between the faculty and the students. Charles Bretzin serves as the Student

Council advisor. The group from last year and this year elected new leaders to run the group. Chris Gundlah resides as president; Jerry Reynolds, vice president; Carolyn Taylor, secretary; and Laura White, treasurer. Among their accomplishments this year was a separate Junior-Senior cafeteria and acting as coordinators for the annual Bloodmobile supported by faculty, students, and community.

STUDENTS FORM MOCK GOVERNMENT

From June 26 to July 2, 1983, Kelli O'Brien, Jerry Reynolds and John Milne represented Portville Central School at Girls and Boys State at Cazenovia and Siena Colleges. While there they participated in a mock government and learned about local, county and state government functions. The students ran election campaigns, were involved in political parties and portrayed government officials. Guest speakers for the program included a congressman, a mayor and state and federal government officials. "It was a great experience for me, and it taught me about government functions in our state. I am happy I went," commented Kelli who was sponsored by the Portville American Legion, Post 814. Jerry and John were sponsored by the US Marines and the American Legion. John remarked, "I met some great people and it turned out to be a lot of fun."

On February 26, 1984, 14 seniors and 5 juniors were inducted into the National Honor Society. These students were chosen by the faculty on their character, leadership, personal responsibility, attitude, service, involvement in school activities, and consideration of

others. Mr. Sullivan was appointed as the new advisor for the Portville Chapter replacing Mrs. Eaton who resigned last year. The members sponsored a dance on March 3. They also sold "Class of 1984" jerseys to the seniors.

1984 Yearbook Receives Award

The 1984 Panther Yearbook was selected by Taylor Publishing Company as one of the sample books used to help other schools choose a theme, layout designs, and use of graphic arts. The sample book will be distributed across the country by the Taylor sales representatives. Congratulations Panther Staff!

The Yearbook Club worked very hard this year selling ads and meeting deadlines. This was the first year that the yearbook was coordinated during regular school hours in a class and it has worked very well. Press Club is also involved in the Journalism Class and the Panther Profile and school newsletter articles are also part of the class' responsibilities.

Bands on the Move

The Portville Panther Marching Band and Senior High Concert Band members traveled to Washington, D.C. to participate in the National Cherry Blossom Festival from April 4-8. While the bands were in Washington, approximately seventeen tours were taken. A special tour of the House of Congress was given by Congressman Stan Lundine.

Before receiving the invitation, audition tapes and a resume of the band's accomplishments for the last four years had to be sent. The Portville Panther Marching Band is one of only two bands from this area

area to receive this award. The award included marching down Pennsylvania Avenue in the Cherry Blossom Parade and the Concert Band performing at the John F. Kennedy Center of Performing Arts.

The band members and Booster Club sold many submarine sandwiches to help support the trip which cost close to twenty-four thousand dollars. A total of 125 students and 35 adults went to Washington. The band members were most appreciative to their teachers, parents and friends who supported them in this effort.

Three students from Portville Central traveled abroad last summer. American Field Service (AFS) President Michele Coletti stayed in France; Cathy Baldwin lived in Columbia, South America, and Mimi Hutchins resided in Spain.

In France, Michele lived in the home of Mr. and Mme. Ceccon. "I enjoyed meeting people and making new friendships that will last," she commented on her time across the sea. "It was an experience to be immersed in a new culture and a new group of people." Michele would like to go back someday.

Cathy stayed in Columbia with Dr. and Mrs. George Brobek. Cathy thinks that her trip was "pro-

bably one of the best experiences of my life." During her summer in South America, she "learned to appreciate this country more and understand and communicate with others better." One day, Cathy hopes to return to Columbia for another memorable experience.

Mimi resided with the family of Natividad Rouco while in Spain. Mimi encourages people to go abroad by recalling her experience as a wonderful trip. "If you ever have the opportunity to visit another country, go — ¡Es maravilloso! (It is marvelous)" She also hopes "to return to Spain one day."

Leda was very active in school affairs and well-liked by both faculty and students. When asked about her stay in Portville, she commented, "I have enjoyed being here. It is too bad that time passes so quickly."

In his homeland, Thure enjoys playing cards, biking, and disco music. Thure found that, "U.S. schools are more strict," during his stay here. He hopes to attend college when he returns to Denmark possibly in the field of computers. Always smiling, Thure made many friends during his stay in Portville.

The Boces Program Provides Students Vocational Training

The BOCES Program prepares students for the job market. The teachers train the students in such areas as computers, nursing, masonry, and cosmetology. The people who participate in the various programs at BOCES are able to have a trade that may help them in their future employment. BOCES has been a major part of the curriculum at Portville for 19 years. The BOCES curriculum is free to high school students, but tuition and book fees must be paid by high school graduates. Juniors who receive training at BOCES go to classes there in the afternoon for three hours. The seniors who participate go in the morning from 8:30 to 11:00. The purpose of BOCES is to originate opportunities for occupational education for high school students.

Mr. Dunbar shows his pride in the chorus.

One hundred students were involved in the two high school choruses offered at Portville during the '83-'84 school year. David Dunbar, music teacher, conducted both the mixed and girls chorus.

Mixed chorus was open to any student in grades 9-12 who wished to develop his musical talent. The girls chorus is a select group chosen by Mr. Dunbar on the basis of an audition. Officers for the 1983-84 choruses included: Carolyn Taylor, president; Mimi Hutchins, vice president; Nedean Morgan, secretary; Kelli O'Brien, treasurer.

The choruses performed three concerts this year including a clinic concert in February and a "Concert in the Park" in the spring.

110 Skiers Hit the Slopes

Ski Club is a "lifetime sport" says Mrs. Worth the club advisor. The attendance for the '83-'84 year supported that comment. In grades 7-12 there was a total of 108 members in the club.

The ski club traveled to Wing Hollow on Mondays. The busses left the school at 4:30 p.m. and returned home at 9:30 p.m.

Mr. James Worth, Mr. and Mrs. Michael Marsh, Mr. Thomas Woodarek and Mr. Chuck Hild chaperoned the group along with Mrs. Worth.

A paper designed to report junior high news was created by the students in Mrs. Baldwin's language arts class this year. The paper entitled the "Panther Press," was published monthly and contained news pertaining solely to members of the seventh and eighth grades. Forty-two reporters comprised the staff under the advisory of Mrs. Baldwin.

Mrs. Baldwin's room also contains a machine de-

signed to improve language skills, especially in below grade students. The Graphic Expression Reading Improvement System (Geris) has been at use at Portville for four years. The program utilizes television as a motivator to follow an eight step process which incorporates all four language arts skills — reading, writing, speaking, and listening.

Students in the County Government Program, coordinated by Mr. McCann, learned how county governments were run by dividing into political parties and committees. The six students participated in many activities including tours of the county building and jail. The class was involved with the preparation of and participation in the intern legislative meeting.

The ADEPT program also enables students to explore various career fields. Mentorships are available through this program to give students the chance to become engaged in an individualized work atmosphere accompanied by an adult. The program also offers students the chance to participate in the "Olympics of the Mind," a national competition, and seminars in academic courses of interest.

League team were Kris Holcomb, John Milne, Tim Giberson, David Smith, Jim Craddock, and John Gardner.

Kris Holcomb and David Smith earned positions on the Big 30 All-Star Roster. Kris Holcomb also advanced to the fourth team for

the state All-Star team. Football at Portville had an overall super season.

Left: Kris Holcomb — "Man, this is hard work."

For senior Kris Holcomb this football season turned out to be a great one. Not only was he elected to the Border Conference and Big 30 teams, but he also advanced to the All-State fourth team.

To the Border Conference, Kris earned a place as defensive linebacker. This is one of the positions he played during the regular season along with offensive center. For the Big 30 All-Stars, he also became a defensive linebacker.

Swimming is an all year sport at Portville Central School. Whether it happens to be girls swimteam in the fall, boys swimteam in the winter, or synchronized swimming in the spring, the pool can always be found in use.

Thirty-two members comprised the 1983 girls swimteam coached by Mr. Chuck Hild. Splashing through their regular season with a 2-7 record, the girls finished with a bang by placing third in the County Meet. Highlights of the season included six school records being broken by team members. Cathy Baldwin and Sondra Linn served as team captains.

Tim Hazzard and Ken Buchanan served as cap-

tains of the boys swimteam under the coaching of Mrs. Ann White. Fifteen members, grades 7-12, made up the team during their winter season.

Mrs. Carolyn Miller coached synchronized swimming with the help of Mrs. Christine Hadzicki. These swimmers, girls in grades 7-12, performed two shows for the public on the night of Open House. "Sharing and Caring" served as the theme for this year's show. Each group was responsible for creating a routine and designing their outfits. Seniors Ann Robertson and Vicki Mohr performed solos while the entire group ended the show with a candlelight finale.

A 13-1 season couldn't have been done without the aid of coaches John Ash and Mr. Connell along with the participation of the boys track team. Thirty-five boys signed up and competed throughout the season with some breaking records. Portville ran at Sectionals where the 400 meter relay team made a 45.8 record breaking time. The group who ran the 400 meter were Matt Pecone, John Milne, Tony Scalfaro, and Tim Enley. Chris Gundlah ran through the old record of 4:42.9 in the 1600 meter race with a new record time of 4:42.00. Scoring behind Olean and Salamanca the boys placed third at Counties. Jerry Reynolds did the long jump and triple jump coming out in first place just as John Milne did in the 110 meter high hurdles. The pole vault challenger, Tim Hazzard, took another first for Portville at the Counties adding points to the final score. However, the large school division held the annual Franklinville Relays where Portville took fourth.

Captains were Seniors — Tim Emley, Matt Pecone, Fran Williams, and juniors were Chris Gundlah and John Milne.

West Valley	84 ½	47 ½
Olean	92	40

A formation of fifty-one girls made up the girls' track team which led the squad and coaches Chuck Hild and Linda Monsell to a successful 10-2 season. The first two losses in three years occurred with Franklinville, Portville's biggest rivalry. The two losses did not discourage the team because they still placed second at the Counties and broke a school record in the 400 Relay. Chris Brown, Meghan Milne, Kim Ryan, and Nancy Ballentine ran to an advanced time of 52.30 during the Counties. Portville girls placed first at the Franklinville Relays which is a division for large schools. Nine participants were selected by the coaches to run in Buffalo for Sectionals. Walking faster this year, sophomore Kerry Myers broke the record with a time of 9.26. At the beginning of the season, the girls chose Chris Brown, Meghan Milne, and Kim Ryan for captains of the squad.

JUNIOR HIGH SPORTS AT

P.C.S. ARE ON THE MOVE

JR. HIGH WRESTLING — Row 1: B. Bowen, T. Shaw, A. Card, R. Willover, S. Castiglione. Row 2: R. Miller, W. Long, R. Sutter, T. Coleman, P. Austin.

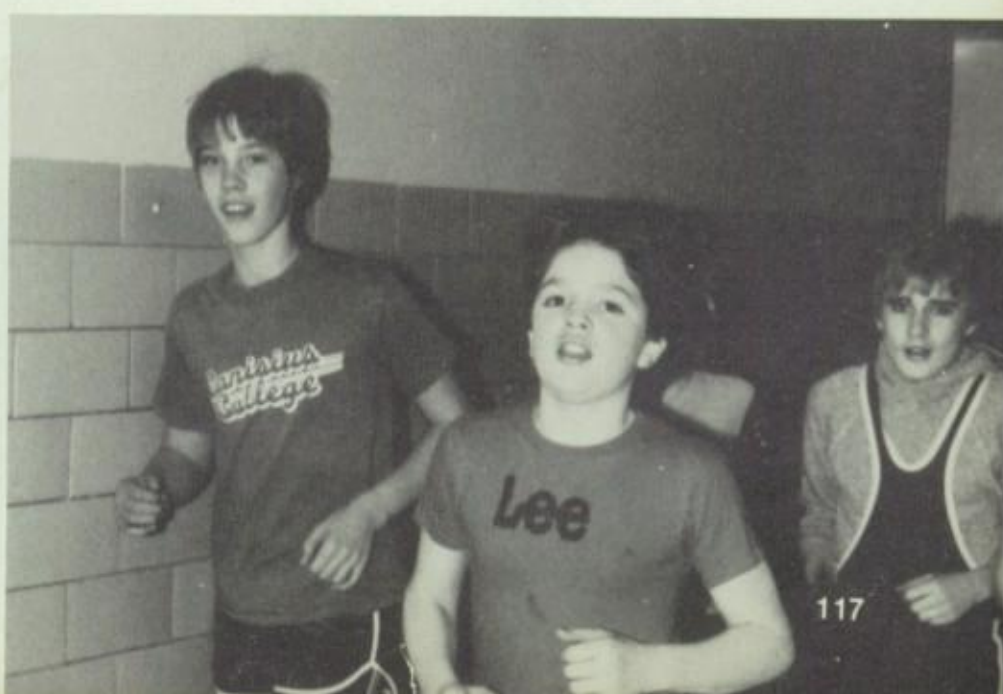

This year all members of the Junior High at Portville will have a chance to compete in sports. For the boys, sports will consist of basketball, coached by Mr. Dezio, and wrestling coached by Mr. Anzivine. Although the girls do not participate in the actual sport, they do have a chance to be part of the team by cheerleading. Junior High Sports started in December with approximately 75 students. The games will be played each Saturday morning for the total of eleven weeks.

Alex Weakfall and Rick Emley are two members of the junior high sports program. When interviewed about the program Alex, an eighth grader said, "It keeps us out of trouble and it's fun." Rick Emley also an eighth grader stated, "It keeps you healthy."

The idea of junior high sports was introduced because sports directors felt it would help a great deal in the long run for senior high sports.

Left: B. Bowen, T. Shaw, R. Willover, and W. Long take a break from practice. Lower Left: H. Wedge, R. Coletti and other members of the basketball team warm up. Below: W. Long, C. Gleason, B. Bolon and other wrestlers run the halls.

GOLFERS PUTT ON TO GREATNESS

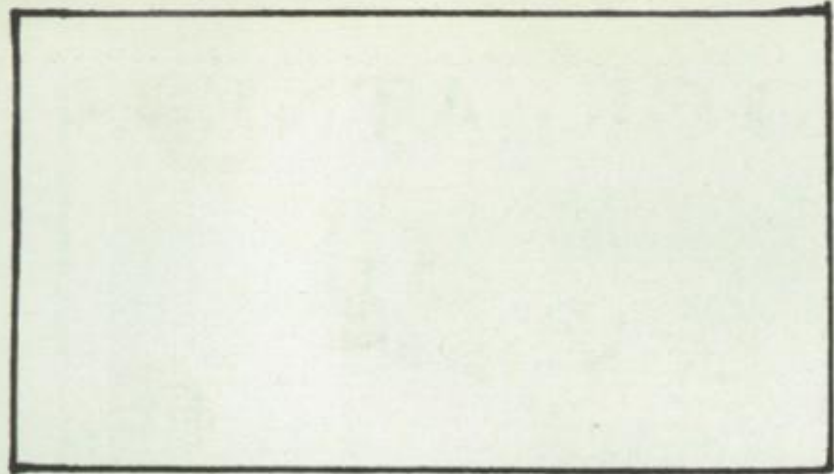

Seated, L-R: S. Jobe, R. Coletti, R. Rasey, and D. Bump. Standing: Mr. McMahon, M. Coletti, D. Caya, E. Anderson, G. Heister, J. Gardner, and J. Eaton.

Ron McMahon coached the 1983 golf team. The eleven member team had an ending season of nine wins and fourteen losses. They also placed sixth in the Penn-York Championship and sixth in the Cattaraugus Championship.

DID YOU KNOW?

- Many stories written by Olean, Bradford and Wellsville staffers never appear on paper until they come out in the composing room; that until then, they are simply computerized impulses stored on discs.
- Over 133,000 classified advertisements are published in the Times Herald each year.

- Each day, Times Herald route drivers cover nearly 2,000 miles to get your daily paper to you.
- At top speed, the Times Herald presses can produce 300 papers per minute or five every second.
- Editorials are not signed as they represent the opinion of the newspaper as a whole.
- The Times Herald's Art Department was one of the first in New York State.

Editorial

I would like to begin by thanking my 20 member staff. This staff put together a book that was good enough to be used by Taylor Publishing Company as a sample book around the nation. This year the staff was mainly in the journalism communications class. There were also a few others who helped to correlate the book. The staff was as follows: Peggy Yanetsko: Assistant to the Editor, Mary Jean Brooks: Business Manager, Debbie Gelder: Assistant Business Manager, Kathleen Aloï, Mike Buchanan, Debbie Crawford, Ray Elliott, Kristin Erickson, Jackie Foster, Mary Freaney, Rhonda Hakes, Amy Morris, Kelli O'Brien, Jerry Reynolds, Adeline Rugg, Melanie Smith, Melisa Smith, Penny Washburn, Aimee Wood and Kelley Woodard.

The staff this year was three times as large as last year's staff. Seven members of the staff were seniors. The remaining underclassmen will have the opportunity to work on next year's book. Good luck to all of you, Do your best, meet your deadlines and above all strive for perfection.

Letter to the Editor

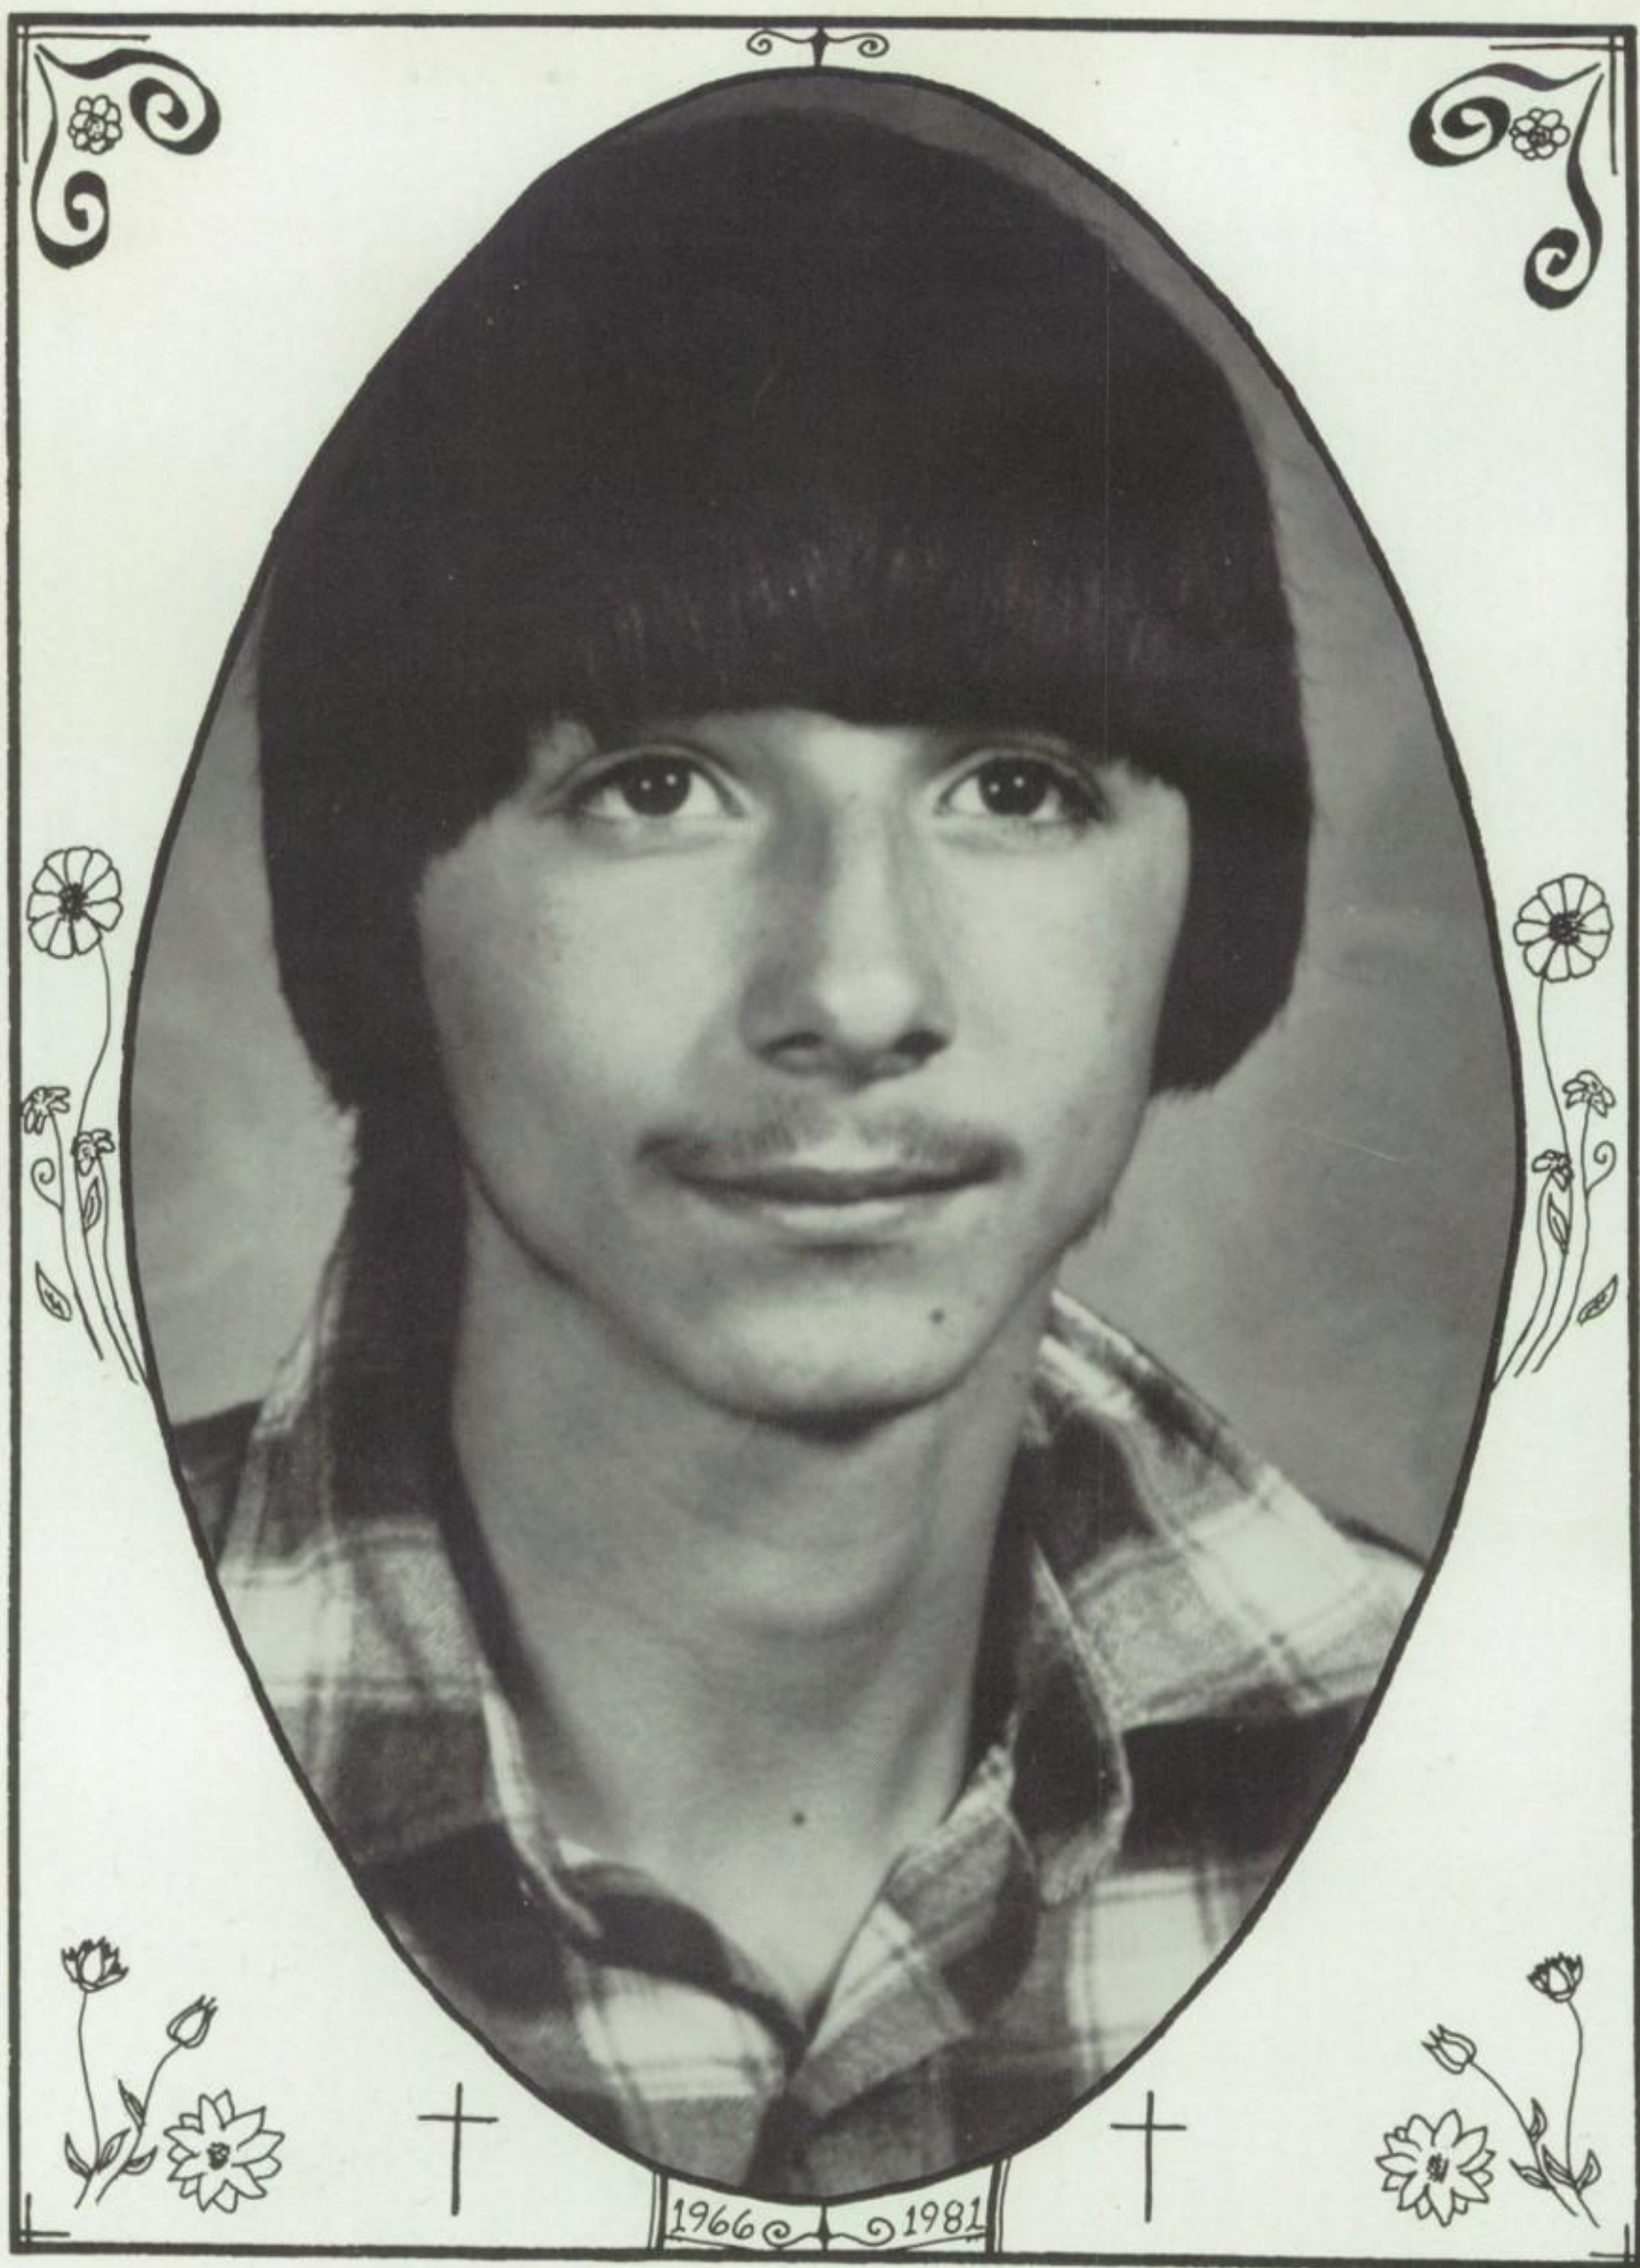

How does one put a year's memories between the pages of a single book? What photographs should be included, what copy written?

You, the Panther Yearbook staff have sorted, rejected and finally selected that which you would graphically display in the 1984 yearbook. The result speaks for itself. You are to be commended for your final product. The 1984 Panther is a winner! It could not have been completed without team effort. All of you wrote copy, all cropped pictures, all sold ads and all designed layouts. Some of you typed, some drew the illustrations, some captured the events on film and others concentrated on scheduling. One among you coordinated the entire book staying late into the day to meet deadlines. And one very efficiently managed the finances.

Together you have created a book of memories in the form of an old photo album.

Congratulations to you all.
Mrs. Worth, advisor
